#### **PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT**

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

Ripon CIC was set up to improve the vitality and prosperity of Ripon through fostering greater unity and cooperation amongst its community, in order to achieve positive change.

During the year further progress has been made on developing and improving the procedures from a governance point of view to enable the CIC to operate efficiently and effectively going forward.

The main project that Ripon Together was involved in during the year was the Ripon Remembers programme of World war 1 remembrance activities in and around the city. The CIC was involved in organising and co-ordinating a number of events and published a leaflet summarising all the events being organised by a wide range of organisations and individuals. The city's efforts to commemorate the centenary of the end of World War 1 received local, regional and even national acclaim and the CIC played a key role in supporting the partnership work required to ensure this success.

In Oct 2018 the AGM meeting was attended by over 50 people to enable them to understand what the CIC is trying to achieve, for them to give their views on what the projects should be done going forward and to get people to become members and be willing to volunteer to be involved in future projects.

In March 2019 the CIC took part in the annual "Sights and Sounds" of Ripon event with a stand in Ripon Cathedral to promote the CIC and recruit new members. Also in March the first of several community interest meetings took place to help co-ordinate cycling related activities to link in with the Tour de Yorkshire and the UCI World Championships visiting the city in 2019.

At the year end the CIC had 119 members.
